

Data privacy information

General provisions

Deutsche Telekom IT & Telecommunications Slovakia as a member of Deutsche Telekom Group, Žriedlová 13, 040 01 Košice (hereinafter the “DTITT”) attaches great importance to protecting your personal data. We always inform you what personal data we collect, how your data is used, and how you can influence the process.

1. Where can I find the information that is important to me?

This **data privacy information** provides an overview of the items which apply to DTITT processing your data in this web portal.

General information related to personal data protection you can find on web page <https://www.deuschtelekomitsolutions.sk/en/privacy/privacy-policy>.

2. Who is responsible for data processing? Who should I contact if I have any queries regarding data privacy at Deutsche Telekom?

DTITT acts as the data Controller. If you have any queries, please contact our Data Privacy Officer electronically to FMB_dataprivacy@t-systems.com or by post to:

Deutsche Telekom IT & Telecommunications Slovakia
DRCI Department / Data privacy officer
Žriedlová 13
040 01 Košice

3. What rights do I have?

You have the right

- a) To request **information** on the categories of personal data concerned, the purpose of the processing, any recipients of the data, the envisaged storage period (Art. 15 GDPR);
- b) To request incorrect or incomplete data is **rectified** or supplemented (Art. 16 GDPR);
- c) To **withdraw** consent at any time with effect for the future (Art. 7 (3) GDPR) by sending a request on the following email: FMB_Teveloperi@vli.t-systems.com
- d) To **object** to the processing of data on the grounds of legitimate interests, for reasons relating to your particular situation (Art 21 (1) GDPR);
- e) To request the **erasure** of data in certain cases under Art. 17 GDPR – especially if the data is no longer necessary in relation to the purposes for which it was collected or is unlawfully processed, or you withdraw your consent according to (c) above or objected according to (d) above;
- f) To demand under certain circumstances the **restriction** of data where erasure is not possible or the erasure obligation is disputed (Art. 18 GDPR);
- g) To **data portability**, i.e. you can receive your data which you provided to us, in a commonly used and machine-readable format, such as CSV and can, where necessary, transmit the data to others (Art. 20 GDPR);

- h) To **file a complaint** with the competent **supervisory authority** regarding data processing

4. Who does Deutsche Telekom pass my data on to?

To processors, i.e. companies we engage to process data within the legally defined scope, Art. 28 GDPR (service providers, agents). In this case, DTITT remains responsible for protecting your data. We engage company OneClick, s.r.o., reg. 36 572 781, our website provider, to process your personal data through this website.

5. Where is my data processed?

In general, your data is processed in the territory of the Slovak Republic.

If your data is also processed in countries outside the European Union (i.e. in third countries) by way of exception, this is done only if you have explicitly given your consent or it is required so we can provide you with services or it is prescribed by law (Art. 49 GDPR). Furthermore, your data is only processed in third countries if certain measures ensure a suitable level of data protection (e.g. EU Commission's adequacy decision or suitable guarantees, Art. 44 ff. GDPR).

6. What data is recorded, how is it used and how long is it stored?

DTITT processes your personal data in the extent of registration form you filled out as follows:

1. On the basis of your consent for the purpose of registering your person on activity Coderfest - Virtual Edition competition and in order to send the prizes to the winners, in the extent of: name, surname, e-mail, faculty, address, postal code, city, phone number; till December 1st, 2020.
2. In general when visiting our website, further information here: <https://www.deutschetelekomitsolutions.sk/en/privacy/cookies>
